Guatemalan Dentist Shown Hospitality

Three Guatemalan dentists had a first-hand view of American hospitality Feb. 26 when they were entertained at the home of Mr. and Mrs. Robert L. Kerber, 820 Teri Ave.

Also present to welcome the guests were Dr. and Mrs. Gerson Jacobson and Mr. and Mrs. Donald Harp, who joined the guests following dinner.

Doctor Arturo Galvez, Dr. Emilio Asturias and Dr. Hector Ferrano all are from Guatemala and interested in the teaching methods, procedure and equipment found in American Dental schools.

The doctors are participants in the program of the International Education Exchange Service of the U. S. Department of State for leaders and specialists.

Their tour of the United States began Jan. 6 and will end March 7.

The program of exchange among highly educated but not wealthy professional people is planned for better understanding of the American scene.

Highlight of the foreign visitors' stay in America is a first-hand acquaintanceship with American family life.

The Southern California program is sponsored by the University of Southern California, which works through local clubs.

The Torrance Junior Woman's Club, under the direction of Mrs. Clifford Trezise, heads the local program.
